CABINETS & COMPONENTS FOR PROFESSIONALS

KAPPA

A MODERN CABINETS SOLUTION

Clean lines. Realistic wood grains. More options for today's cabinets projects.

The Kappa slim shaker door and drawer front from Elias Woodwork combines modern style and trending wood grains with the practical performance of durable laminate finishes.

WHY KAPPA

A narrow, refined frame gives Kappa a clean sophisticated look with popular wood grain options.

A natural-looking textured wood grain appearance for cohesive, high-end finish across every door and drawer front.

A practical surface choice for the demands of everyday living with antimicrobial properties and quality assurance.
